Department, Madras.

Sir,

I have the honor to inform
You that the fall of rain on the
16th inst was general all over the
Salem Taluq, and since then
there has been but 3 oz of rain
in Salem. In other good rain
is reported on 14th to 16th, in
some places amounting to 2
inches, in some one, and in others
less. On the 18th there was 1/4
inch

Inch of rain at the Kusbah - but no reports have as yet been received whether it extended to other places or not. In Ramakal Cusbah there was one Inch & one oz on the 17th and there was a pretty general fall of rain throughout the Taluq during the previous day. In Trichengode Taluq there was a good fall of rain on the 16th and 17th In Trichengode Cusbah the rain registered on the latter date was 2 Inches 3 oz. In Dharampuri also there was rain on the 16th and 17th the quantity registered being one Inch. In Coosoor and Aravacurchy rain to the extent of 1.4 and 1.2 fell on the 16th to 18th while in Tripatore there was 2 Inches from 14th to 16th and in Ettengherry 1.8 on 16th. On the whole a good rain sufficient to encourage agriculture fell during the past week. In the Ettengherry Taluq the Tahsildar reports that the tanks in the neighbourhood of the Cusbah have been filled.
