Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chittoor, 29th January 1877, No. 58 :—

THE Acting Sub-Collector reports that out of the sum of Rupees 500 sanctioned for repairing the drinking-water tank at Alamelumangapuram, in the Vellore Taluq, (Item No. 10 in the list appended to Proceedings of the Board of Revenue, No. 3,024, dated 30th November 1876,) Rupees 497-15-0 have been already expended with extremely satisfactory results, and that it has been estimated that a further sum of Rupees 5 will be required for completely repairing the tank. I have authorized this further expenditure, and trust the Board will approve of my action. I have been in the village myself with the Sub-Collector and inspected the work, and am therefore in a position to recommend this small additional outlay with confidence.

THE Collector is referred to the Proceedings issued with Board's Proceedings, 2nd January 1877, No. 1.
