*Proceedings of the Madras Government, Revenue Department,
9th February 1877.*

Famine Relief.

No. 287. Read the following Proceedings of the Board of Revenue, dated 2nd February 1877:—

Read the following letter from J. F. PRICE Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddapah, 26th January 1877, No. 44.

REFERRING to the Proceedings of the Board of Revenue, No. 3, dated 2nd instant, I have the honor to report that the District Engineer informs me that there are no sanctioned irrigation-works in the main or sub-division, the execution of which is in abeyance for want of funds.

2. Every work as soon as sanctioned is put on hand.

3. I am most strongly in favor of taking up as many irrigation repairs as possible, particularly clearing out river-channels,—a work from which immediate benefit will be derived; and I am arranging with the District Engineer to take these in hand as soon as we can. I do not approve of making new roads as they cannot hereafter be maintained.

4. Colonel Moberly has intimated to me that he will undertake everything connected with a considerable number of works, excepting payment for which we must arrange.

SUBMITTED for the information of Government.

2. The Collector's proposals recorded in paragraph 3 of the foregoing letter have the Board's approval. Mr. Price is requested to ascertain from the Superintending Engineer whether any matured irrigation projects have been submitted by him to Government which have not yet received sanction.
