*Proceedings of the Madras Government, Revenue Department,
9th February 1877.*

Famine Relief.

No. 297. Read the following Proceedings of the Board of Revenue, dated 30th January 1877, No. 357:—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Ettiapuram, 26th January 1877:—

I have the honor to report that out of the Rupees 15,000 allotted to this district for relief works, irrigation repairs, Rupees 13,000 have been applied for by the different officers in charge of taluqs, and that it appears probable that the whole may be exhausted by the end of the month. I therefore request that the Board will be pleased to allot Rupees 15,000 more for expenditure in the month of February. I have issued instructions to the officers in charge of the distressed taluqs, which will, I hope, have the effect of keeping down the expenditure to the lowest possible amount, and I think that we shall get through the month of February with Rupees 15,000 expenditure on irrigation.

2. I request also a fresh allotment of Rupees 5,000 for miscellaneous and sanitary works for the use of Ottapidaram Taluq where irrigation works are few, and for use in Zaminaries where we have no tanks to repair during the month of February. I shall be obliged if sanction be accorded in time for me to find myself in funds by the 1st of February.

3. A separate report on the arrangements made and the progress of the relief works will be submitted within a day or two if the returns will be made up to next Saturday according to the forms already ordered by the Board.

SANCTIONED Rupees 20,000.

2. The Collector will of course confine outlay to the five taluqs distressed.
3. The report promised in the last paragraph of the Collector's letter is awaited.
