GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

27th September 1877, No. 351 I.

Irrigation
Establishment.

Read the following paper:—

No. 136. From Colonel C. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to the Secretary to the Government of Madras, Public Works Department, (Irrigation—Branch,) dated Fort William, 19th April 1876, No. 186 AI.

I am directed to acknowledge receipt of your letters quoted in the margin reporting the salary and allowances to be drawn by Mr. Wilson while employed on the special duty of making up the accounts of Irrigation Works, and the establishment to be employed under him for the purpose, and in reply to say that the Government of India have been pleased to approve of the arrangements ordered by the Government of Madras. His Excellency the Governor-General in Council would however be glad to receive information of the period the employment of Mr. Wilson and his establishment is likely to last, and I am to ask that such information may be furnished at an early date.

2. As no provision appears to have been made in the Ordinary Irrigation Budget estimate for 1876-77 to provide for the charges for the establishment in question, it will be necessary to make the necessary reappropriation of Budget credits from the Ordinary Irrigation grant to meet the outlay, and I am to request that this may be done as soon as possible. The charges should be shown in the Irrigation Accounts as a distinct sub-head under Establishment, and it is left to the Government of Madras to submit proposals in the manner in which the amount should be apportioned between Capital and Revenue.

3. It is supposed that instructions have been issued to Mr. Wilson of the manner in which he is expected to make up the accounts. If so, I am to request that a copy of the instructions may be forwarded to the Government of India.

No. 137. ORDER THEREON, 27th September 1877, No. 351 I.

Communicated to those concerned.

2. It is observed that the Government of India have by Proceedings, Madras Government, No. 17 I, of the 15th August last, been made acquainted with the fact of Mr. Wilson's reversion to judicial duty, and by letter No. 305 I of the 7th September 1877 that Mr. Wilson has undertaken to complete the accounts of the Kistna and Godavery Deltas.
