what particular charges the grant for stationery and stamps is intended to cover, and in what manner these charges are to be adjusted in the Provincial Accounts.

RESOLUTION.—The Hon'ble the President in Council is pleased to declare that the grant for stationery and stamps is intended to cover the cost of stationery (whether imported by Government or purchased in the country) used in all Government offices, excepting the Postal and Telegraph Departments, and the cost (including freight and landing charges paid in India) of stamp paper, excepting postage and telegraph stamps, retailed at the several treasuries. Ordered that this Resolution be distributed for information and guidance as follows:—

To the several Local Governments and Administrations.*
* Except Hyderabad and Mysore.
