Read the following papers:—

No. 63. From Captain A. AWDRY
to the Chief Engineer for I.
Coimbatore, 25th September 1901.

Acting District Engineer, Coimbatore,
Public Works Department, dated
No. 30 C I.

I HAVE the honor to forward plan

- 1 Plan.
 - 1 Survey.
 - 1 Longitudinal and cross sections.
 - 1 Estimate, Rupees 4,740, with specification.
- (to be obligingly returned—).

estimate for a head sluice for the
Chittrachavady channel, and to state that
I have myself gone very carefully into the
matter on the spot as well as in office, and
I have revised the arrangements somewhat
I have lately had the advantage of
turning your wishes and views generally
with reference to head sluices.

2. The height of the vents is perhaps
necessary, but I was guided in fixing the
supplies five tanks, and that it is an advantage
the Noyel as much water as is possible.

water than might otherwise be deemed
right by knowing that the channel
age to admit during the short freshes of
