In a recent letter
the collector of Malabar
asks for a copy of the
"Govt grant made to one
Robert Billamore formerly

collector adds that the
records of his office
show "that the title deed

under date 22^d Nov. 1874
to the abovementioned Captain
The

2. The Grant is
not forthcoming in
this office is in that
of the Madras Board
of Revenue. Possibly, it
may be among the records
of the Bombay Presidency
as it is stated to
have been issued in
1794, prior to the transfer

control of this Govt.
and I am directed to

in Council, you will be
good enough to cause
a search to be made
for the document, and
if found, to forward
this Govt with

a copy of the same.
