PROCEEDINGS OF THE BOARD OF REVENUE, dated 2nd October 1877.

Read the following letter from H. S. THOMAS. Esq., Collector of Tanjore, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Vallam, 10th September 1877, No. 3,059 :—

WITH reference to Board's Proceedings, dated 18th July 1877, No. 3,338, circulating, for adoption, the revised Form 3 (Climate), to be submitted with the Annual Administration Report, I have the honor to request that you will be good enough to inform me whether this statement should be prepared and submitted by Collectors. I ask this because, in their Proceedings, dated 2nd June 1876, No. 1,460, the Board have ordered that it should be prepared by the Government Astronomer.

THE statement need not be furnished by Collectors to whom the revised form was communicated instead of to the Government Astronomer by mistake. It will now be sent to him with the request that he will forward a statement for 1876-77 as early as possible.

2. The Government Astronomer will also report to Government direct regarding discontinuance of meteorological observations at dispensaries.
