"In reply to your letter No 1423/254
dated august 30th 1877, I have the honor
to say that the Proceedings of the Madras
Government No 842 dated February
27th 1877, were not confirmed in their
entirety by the Government of India,
for at Para 5 of the letter No 313 dated
May 21st 1877 from the Government
of India in the Revenue Department
Recorded in G O No 2097 dated June
25th it is distinctly stated that the
pay & allowance of Military Officers
in the Survey Dept should be regulated
by the Scale then sanctioned, and
by this Scale the pay of the appoint-
-ment of Deputy Superintendents
2d class when held by a Military Officer
who entered the Department previous
to October 31st 1872 is limited to
Rs. 1200 a month. As you are only
acting as a Deputy Superintendent
2d class you can only draw acting
allowance on the pay of the appoint-
-ment

Sir,

I have the honor to forward for your information Copy of a letter received from the Offg Assistant Accountant General.

2/ Although in the Scale of Salaries to be paid to officers of the Revenue Survey drawn up by Col. Pennycuick and by the Madras Government and Sanctioned by the Government of India in order 2097 of 25th June 1877, my name is entered as entitled to Rs. 1200 whilst acting as a Dy Superintendent, the Accountant General declines to allow me more than Rs 1140.

3/ Moreover he states that my pay as a 1st assistant Superintendent will in future be Rs900 or 165 Rs less than I have been drawing for the last three and a half years in that grade.

4 This ruling is in direct opposition to the proceedings of the Madras Government 2483 of 10th August in which the Accountant

so fixed that is to say, 20 per cent on the amount in addition to the pay of a Military assistant Superintendent of the 1st Class your substantive appointment.

2/ In regard to the 2d question mooted by you, an amendment in the Gazette Notification appointing Mr Cardozo Acct vice Mr Cuthbert as a first class Deputy Superintendent from 7th July enables me to issue an amendment pay Slip which is accordingly enclosed

Sir

I have the honour to forward for the consideration of his Grace the Governor in Council an Appeal submitted by Major A. D. H. Clay 1st Assistant Superintendent Revenue Survey (Acting Deputy Superintendent 2nd Class) against the action of the Accountant General, in declining to pass his pay at the maximum rate for Military Officers holding the Substantive rank of Deputy Superintendent 2nd Class.

2 Under the interpretation placed by the Government of Madras on the sanction of the Government of India to the new scheme of Organisation Communicated to the Accountant General in their Order dated 10th August 1877 №2483 Major Clay would draw as 1st Assistant Superintendent Rupees 1065-14-6 per mensem and I conceive that when Acting in his present Appointment he is entitled in addition to 20 per cent of the Salary attached to it, less any excess over the maximum salary of

Accountant General was directed to pass the Salaries of Military officers in accordance with the list embodied in the Scheme which was Sanctioned by the Government of India.

5/ I respectfully request that you will lay my protest against the ruling of the Accountant General before His Grace the Governor-in-Council, as I feel sure that it was never the intention of the Madras Government when approving of the revised Scheme that the pay of the Military officers should be Summarily reduced.

of the Appointment in which he acts or to 200 Rupees per mensem. The Accountant General assumes that the pay of Major Clay's substantive Appointment is Rupees 900 the maximum limit for Military Officers as entered in the letter of the Government of India recording in Proceedings of Government of the 25th June № 2097 and allows 20 per cent on the Salary of the Acting Appointment in addition to that sum making the total Rupees 1140 per mensem.

3 In their Order of the 10th August — above referred to the Government direct the Accountant General to pass the pay of Officers of this Department with reference to the list contained in Colonel Hexey's letter printed with G.O. 27th February № 842 and they repeat this direction in their subsequent order of the 30th August 1877 № 2608. In the list referred to, Major Clay's pay as Acting Deputy Superintendent is entered at Rupees 200 per mensem. It is to be regretted that Officers of the Survey should be exposed to the annoyance and inconvenience of disallowances of pay which I cannot but think are directly opposed to the Orders of the Local Government.
