Read G. O. Rev. Dep't
dated 4th October 1877, no. 6533, referring to Rs.
for Remarks P.W.D. on the subject of the
provision of funds for Tadarnism and East Coast
Canals.

The Board observe that the Current
years Special Local Fund Budget contains a provision
of Rupees 8000 out of the Canal and Ferry Fund of the
Tanjore District to be utilized for the purposes detailed
in para 27 of the 18th Nov. dated 25th January 1877
no. 301, which are here repeated for easy reference.

1. Maintenance of the Tadarnism Canal including the portion expended in 1875.	Rupees. 6750
2. minor Repairs to Ferry Boats	600
3. Establishment	80
4. Miscellaneous	570
	<u>8000</u>

It is the first of these items that is alluded to
in the Extract from the Tanjore District Engineer's letter
furnished with the G.O. This allotment is for the ordinary
maintenance of the whole Canal. The provision made
in the Imperial Budget appears from G.O. P.W.D. 300
July 1876 no 1670 to have been intended for defraying
a particular portion of it, and not for general mainte-
-nance. Both allotments are probably necessary. The
