*Proceedings of the Madras Government, Revenue Department,
10th February 1877.*

Famine Relief.

No. 346. Read the following Proceedings of the Board of Revenue, dated 30th January 1877 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated, 23rd January 1877, No. 41 :—

With reference to the Board's Proceedings, dated 9th instant, I have the honor to state that in the Trittani Division there are hardly any existing roads on which to employ the large number of coolies who need work in collecting and storing metal and gravel for future repairs. The works approved in the above Proceedings have therefore been already put in hand and are now in vigorous progress. I have, however, directed that the collection and storage of material on the few existing roads in that division should at once be commenced.

ESTIMATES should be framed and duly sanctioned under the rules for the repair works in question.
