Book Department.

With reference to G.O., No. 2421, dated 11th October 1877, Judicial Department, I have the honor to report that the approximate expenditure in 1876-77 on account of rewards for the destruction of wild animals is Rupees 26,521-6-6. In this office letter, No. 9406, dated 21st December 1876, it was intimated to the Board of Revenue that the charges up to November 1876 had amounted to Rupees 20,622. Notwithstanding this intimation the expenditure has exceeded the grant, and the excess must be debited to Provincial Services, Miscellaneous, it being a Provincial charge.

No. 263. ORDER THEREON, 30th October 1877, No. 2617.

It is observed from the Accountant-General's letter that the expenditure (Rupees 26,521) incurred during 1876-77, for the destruction of wild animals and snakes, has exceeded the allotment (Rupees 25,000) by Rupees 1,521.

2. As there is no reserve under Provincial Services to meet expenditure incurred over fixed allotments, the Government Council resolves to direct attention to Orders already passed on this subject under No. 28th October 1874, No. 1837, and 27th December 1875, No. 2514, in view to greater economy being exercised in the grant of rewards, and to the expenditure incurred being restricted to the fixed assignment for the purpose.

3. Rewards cannot be refused when the risk of killing a Tiger or Cheeta has been incurred by some person, but there is no necessity for giving the full amount in every case irrespective of circumstances.
