Miscellaneous No. 15,282

PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 3d November 1877.

Read again letter from the Collector of South Arcot, dated 12th December 1877, No. 570, recorded in Board's Proceedings dated 8th February 1877 Miscellaneous No. 1873.

Read also the following:—

No. 368.

From

F. R. H. Sharp Esquire
Ag. Collector of South Arcot

To

C. A. Gallow Esquire
Ag. Secretary to the Board of Revenue,
Madras.

Sir,

I have the honor to reply to the Board's Proceedings Miscellaneous No 1873 of 8th February 1877.

Cases Nos 1 and 3.

Question:— Have the Tottias any other source

source of income besides the portions of Inams in actual enjoyment and if so, whether the total emoluments are sufficient for their maintenance?

Answer. None. If the fresh grant be sanctioned, it will, with the present cultivable portion, be sufficient for maintenance of the Lottiers.

Case No. 2.

Question (a) When was the portion of the Taliari Inam washed away? and (b) what emoluments does he enjoy besides the Inam actually fit for cultivation? —

Answer (a) Acres 20 cents were washed away in 1874 by the river freshes; 2 was taken up for a river embankment, 6 years ago, and the remainder was washed away by the Coleroon freshes in 1875.

Answer (b) The Taliary draws a ready money monthly allowance of Rs. 2-3- besides

besides his Inam. If the fresh grant applied for is sanctioned his total income will be

From Inam about Rs. 5-7-4
Ready money allowance Rs. 26-4-
31-11-4

The Sub Collector thinks that the income is insufficient and I agree with him, but if the allowance is to be raised in this case there will be numerous applications for similar increase from other Village Servants.

Case No. 4 (2) When was the portion of the Inam reported to washed away. What is due to any neglect on the part of the cultivating ryot.

Answer. 6 years ago and not from any neglect on the part of the cultivating ryot.

Signed H. Sharp
