Proceedings of the Board of Revenue

Dated 2nd November 1877.

Read the following.

No. 1608.

From:

W. H. Camplin Esqrs.

As Secy of South Canara

To

L. A. Galton Esqrs.

As Secretary to the Board
of Revenue,
Madras.

Sir,

I have the honor to submit
for sanction an Estimate amounting
to Rs 200 for adding a small
veranda on the eastern side, to
the godown lately built for
the storage of Lacashie Coir yarn
at Mangalore under G.O. 22nd
September 1878 No. 2454.

2

The building has a veranda
at

at the western but now at the eastern
end, in consequence of which the latter
is exposed to the sun during the
dry season and to rain which
beats in through the doors during
the Monsoon. The Veranda will
protect the seals on the doors
from the heat of the sun during
the dry season and will obviate
the necessity for putting up any
temporary hats during the Monsoon.

3. The District Engineer states
that the cost of the work can
be met from the balance of the
allotment at his disposal under
the head "Minor New works -
Provincial" in the
current year's sanctioned
