Read the following paper:—

No. 42. *Proceedings of the Board of Revenue, dated 3rd October 1877, No. 4610.*
Read the following letter from J. B. PENNINGTON, Esq., Collector of Tinnevely,
to the Acting Secretary to the Board of Revenue, dated Courtalam, 13th
September 1877, No. 633:—

I have the honor to suggest, for the consideration of the Board, that a vaccination
certificate should be required of all candidates for any office in a village who have not
had the small-pox.

2. There seems to be no good reason for making a distinction between them
and other applicants for Government service, and no measure (short of universal
compulsion) would have so much effect in bringing home to the people in every part
of the country the advantages of vaccination.

3. All the Division Officers and Tahsildars in the district approve of the
suggestion.

Submitted for the orders of Government
Collector's proposal be adopted.
