No. 139. Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Chittoor, 23rd December 1876, No. 92:—

In your telegram, dated the 7th instant, you have desired me to report weekly, among other particulars, the quantity of grain in tons imported into this district during the past week. On receipt of the said telegram I wrote to the Agent and Manager of the Madras Railway to furnish me with the above information. Copy of that officer's letter, dated 18th instant, No. 4,535, is herewith forwarded, from which I gather that the information in question is obtained by Government directly from the Railway Department more expeditiously than I could furnish the same. Owing to non-receipt of the information from the Railway Department during the past weeks, I have not been able to embody the same in my weekly report.

2. I have, therefore, the honor to request that you will be good enough to instruct me on the point.
