GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

23rd November 1877, No. 2780.

Taluq Cutcherrics.

Read the following paper:—

No. 189. *From Major J. O. HASTED, R.E., Superintending Engineer of the Kistna District, to the Chief Engineer, Public Works Department, dated Masulipatam, 9th November 1877, No. 135.*

Buildings.

The Kistna Anicut Office was formerly in the Workshop yard, the Anicut Superintendent having charge of the Workshop, but as work has increased of late years, it was found necessary to separate the charges, and the Anicut Office was placed temporarily in a small tiled building (before occupied by quarry gumasta, and stores, &c.,) near the end of the bridge. Increased accommodation for the Anicut Office, together with a yard for tools, &c., is much needed, but there is no place available on which to build.

2. The new Taluq Cutcherry at Bezwada having been occupied by the Tahsildar, and the old one being about to be vacated, I have addressed the Collector, Kistna, and obtained his consent to the latter being used as Anicut Office. The building is conveniently situated about 300 yards from the head sluices, facing the canal, and has accommodation for tools and stores, which is required.

3. I have therefore the honor to request you will obtain the sanction of Government to the transfer of the building to this department.

No. 3952.
