Famine Relief Orphans.

Read the following paper:—

168. From J. F. PRICE, Esq., Acting Collector of Cuddapah, to the Chief Secretary to Government, dated 8th November 1877, No. 756.

In reference to G.O., No. 1978, dated 24th July last, I have the honor to inquire whether I am authorized to hand over to the Ladies' home at Madras orphans from camps, &c., in this district.

2. The Rev. Mr. Bacon has taken some children here under the promise that, if claimed by relatives, he will give them up, and this engagement he has kept in the only instance in which such a claim has been made.

3. As relatives and even parents frequently turn up in the most unexpected manner, I feel a little doubtful as to the advisability of sending children down to Madras until the famine is all over and we are certain that those left upon our hands are really orphans who will neither be claimed nor adopted.

169. ORDER THEREON, 26th November 1877, No. 2765.

The Governor in Council is decidedly of opinion that none of the orphans at relief camps, &c., should yet be removed from the places or districts in which the camps are situated.
