29th October 1877.

From, C. W. W. Martin Esquire,
Sg. sub Collector
of Madura.

To, W. Mc Lachlan Esquire,
Collector of Madura.

Sir,
In reply to your footnote to official
Memorandum No ⁴⁴²/_{16.10.77} from the Secretary
to Government, Revenue Department, I
have the honor to inform you that it is
~~in~~ my opinion that the work should
be done at once -

2. There will be loss of labour already
done if a transfer of the party takes place
while the demarcation of several villages
is half complete. I can hardly think
it will be necessary to use section VI
of the Act so widely as is proposed -
Those cases in which there appears to be
no chance of getting the ryots to provide
stones might be reserved until the

Taking is completed, temporary marks being made where the stones should stand; where the ryots are still unable to pay, the stones can be paid for by Government. It will probably then be found that a very much smaller sum than is estimated will be required as an advance.

I have &c
