Proceedings of the Board of Revenue
dated 16th September 1875.
Read the following.

No 453

From W. J. White side Esq.

Collector of North Arcot

To H. E. Stokes Esq.

Ag Secretary to the
Board of Revenue
Madras.

Sir I have the honor to submit
the following report in Board's
Petition No 1560 of 1875, which
with its enclosures is herewith
returned, although it has
been referred to me for
disposal. I forward, at the
same time copy of the
Ag Subcollector's letter No 467
dated 2nd Instant together

with a statement showing
the Ayaat, Cultivations,
Arrears, etc. in the Shrotrium
Village of Vengalathur in the
Arest Taluk.

2. The Board will see from
the above papers that the
assessment of the Cultivable
lands in the above village is
Rs 2349-5-10; while the
arrears of quit-rent re-
against the village for
Fasles 1283 & 1284 is Rs 2350-11-4.
which is a little more than the
assets of the Shrotrium. The
Shrotriumdar admits her
ability to pay up the
arrears at once, & the
only alternative left for
Government to recover their
dues is to proceed against the

landed property of the defaulter
Taking however into Consideration
that the proprietress of the Estate
is a respectable Hindu female
that the sale of the Shrotrium
in question will put her to great
loss & that it is undesirable
to take steps towards the eventual
resumption of an Ancient Shrotrium
the Dy Subcollector has, prior to
the receipt of the Board Petition
under report, proposed that the
Entire village may be attained
& its management assumed by
Government under Section XXVIII
of Act II of 1864. I quite approve
of this measure & recommend
it for the sanction of the Board
of Revenue as a Special Case.

3. I do not think that the promise
of the petitioner that she will
pay the arrears due by her
in four yearly instalments

Commencing from the current
Fasli, will be punctually fulfilled
by her. In addition to the already
outstanding balance against her,
she has to pay up the current
Rats of the years in which she
proposes to discharge the arrears.
She has shewn herself to be by
no means an able manager
of a landed Estate for she would
otherwise not have allowed so
great an arrear to accumulate
against the village, & I therefore
distrust her ability to clear
the arrear off as she proposes.
For her own benefit & for the
speedy recovery of the arrears
of Govt Revenue due by her,
the attachment of the Shrotrana
village in question & its manage-
ment by Govt. as recommended
above is, I am of opinion, the best
arrangement that can be made

under the ^{present} circumstances. ^{6/24/5}

Proceedings of the Board of Revenue

Dated 29th November 1897.

Read the following.

No. 644

From W. S. Whiteside Esqr.
Collector of North Arcot.

To H. E. Stokes Esqr.
Secretary to the Board of Revenue
Madras.

Sir The Board are aware that under the authority of their Prop. dated 16th September 1895 No 8459, Vengalathur, a Shrotrian village in the Arcot Taluk is now under attachment under the terms of Section 28 Act II of 1864. Endeavours have been made to reduce the balance against the village as much as possible, but the arrears of Quit rent of past Estates still amount to Rs 2322. The average annual collection of the village exclusive of deductions on account of these

And then items, is only about Rs 1800.
 Deducting from this the sum of
 Rs 1381, being the Annual quit
 rent payable to Government,
 the Surplus Annually Available
 for the liquidation of the heavy
 outstanding balance is Rs 419.
 crediting the Surplus Collection
 at this rate, it will be nearly
 6 years before the whole of the
 balance Rs 2322 is completely
 paid off.

Karna Bayanmal, the
 registered Shrotraman of the
 village in question now comes
 forward with a claim for a
 maintenance allowance of Rs 35
 per mensem from the revenues of the
 village. On Enquiry, I am satisfied
 that she is at present without any
 proper means of living & stands
 greatly in need of assistance. She
 belongs to a respectable family &
 has no property available for her
 immediate maintenance but
 solely depending upon this village
 for her support. Her demand

of Rs 35 per month is however
 excessive & can not be allowed
 from the small Surplus Collection.
 Considering the state of her family
 & also the necessity for speedily
 clearing off the arrears of the village
 I recommend that a monthly al-
 -lowance of Rs 10 be granted to
 Karna Bayanmal from the Annual
 Surplus Collection of the estate during
 the period of the future continuance
 of its attachment.
