TO

THE HONORABLE SECRETARY

TO THE GOVERNMENT

FORT SAINT GEORGE.

HONORED SIR,

GOVERNMENT have made regulations prescribing the duties of all village officers in the provinces subordinate to Fort Saint George and in order that these officers may acquaint themselves with their duties and perform them properly, enacted at the end of Regulations 4 and 5 of 1816 that each village Munsiff and Kurnam should possess them.

The Board of Revenue have moreover called upon District authorities more than once to improve the position of village officers.

Government again drew attention to the subject in November 1874. But the enactments and orders on the subject being inaccessible to village authorities who have been unable consequently to exercise their functions, the object of the legislature and the orders of the Highest authorities have been defeated and disobeyed. With the view therefore of meeting this deficiency, I have compiled into a Village Code, all the enactments and portions of enactments in force, the orders of Government and High Court and the Standing Orders of the Board of Revenue, relating to village officers and village servants of all grades and printed in Telugu.

I am prepared to supply as many copies of Village Code as may be required by the village officers in the Madras Presidency at the rate of Rs. 1 4 0 per Copy.

I enclose a specimen copy and request that you will be graciously pleased to lay it before His Grace the Governor in Council in view to the issue of orders to all Collectors to ensure village officers possessing copies of the Village Code and improving their functions.

REVENUE DEPARTMENT.

PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 27 Nov 1877.

Read endorsement of
Government dated 1st February
1877 on letter from K. Venkata
Ramaswamy dated 25 January 77.

The Board regret the de-
lay that has occurred in the
disposal of this reference,
which was inadvertently
overlooked.

2. The pamphlet is
a simple compilation of the
regulations and acts and
Board's standing orders
relating to the duties of
village servants with a few
notes of decisions bearing
on the subject which is badly
printed and got up, and the price

is altogether expensive; the
Board see no reason therefore
specially to recommend it for
the patronage of Government.
