to increase generally. The new scale of wages not having come into force, 18,289 gratuitously fed. of coolies below last week
attributed partly to mending
partly to reinforcement of task
work. In Koilkunka and Kurnool

it is attributed partly to desertion
 owing to outbreak of cholera.
 This appears doubtful. Suppression
 is called for. New scale of wages
 not introduced during the week.
 The fall of prices noted last week
 still continues probably owing
 to same cause.
