SIR,—In reply to your letter of the
28th ultimo, No. 3,353, I have the honor
to inform you that as far back as the 14th

February last, that is, more than three months before the issue of the order of the Government of India quoted by you in the margin of your letter under reply, the Superintendent of Government Farms reported to the Revenue Board that he had engaged a qualified lascar on a salary of 7 Rupees a-month and 2 Annas a-day batta. The Revenue Board, in their Miscellaneous Proceedings, No. 1,931, of the 3rd March 1876, approved the terms on which the lascar had been engaged.

2. Subsequently, in April 1876 the Board disallowed half the travelling allowance to the lascar, and made a similar deduction from the batta paid at the same rate to a peon, who along with the lascar had accompanied the Superintendent on a tour for nineteen days in the month of January 1876.

3. The Superintendent thereon reminded the Board that they had approved the terms on which the lascar was engaged which included 2 Annas a-day batta and stated that he thought peons were entitled to the same rate when employed beyond the limits of their own districts. The Board thereon recommended that the batta at 2 Annas a-day should be passed to the peon and the lascar as a special case, and this was sanctioned accordingly, the Madras Government not considering that the admission of a claim of such standing and its treatment in so exceptional a manner constituted a change in the travelling allowance rules within the prohibition contained in paragraph 2 of the order quoted by you.

I have the honor to be,

Sir,

Your most obedient servant,
