Famine Relief.

No. 503. Read the following Proceedings of the Board of Revenue, dated 6th February 1877, No. 505:—

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 29th January 1877, No. 50.

I HAVE the honor to transmit with the request that, if the Board approve, it may be forwarded for the favorable consideration and orders of Government, an application* from the Acting Sub-Collector, that B. Teperumal Chetty, the Sub-division Sheristadar, at present on famine duty and a Temporary 1st-Class Magistrate, may be appointed a Temporary Deputy Collector, in order to allow of his assisting Mr. Gribble in the Jammabundy of his division.

2. I think that the Acting Sub-Collector's request is a fair one. It will be out of the question for him to get through the settlement of his four taluqs and look after famine work too, and waiting until May to see whether rain falls would be running matters too close. The Sub-division Sheristadar is the officer most likely to know all about the division, and therefore would be the best man to put in a position to make the settlement of part of it.

2. I accordingly beg to support Mr. Gribble's proposal.

ENCLOSURE No. 1.

From J. D. B. GRIBBLE, Esq., Acting Sub-Collector, to J. F. PRICE, Esq., Acting Collector of Cuddapah, dated Madanapally, 25th January 1877, No. 139.

I beg to inform you that I have received a letter from B. Teperumal Chetty, the Sub-division Sheristadar, at present on special duty, and a Temporary 1st-Class Magistrate, requesting to be allowed to revert to his permanent appointment.

2. Although appointed in the middle of December, he has not, up to date, been allowed to draw any extra allowance except a batta of 2 Rupees per diem. He is now in charge of the relief works in the Voilpau Taluq, and the expenses he is obliged to incur in travelling are very heavy.

3. He would not originally have accepted the appointment had he not understood that he would be gazetted as a Temporary Deputy Collector, and be allowed pay and allowance as such.

4. His case is, I think, a hard one, but yet, at the same time, I cannot possibly spare him. I require him for magisterial work, and even if I have another officer placed in charge of the Voilpau relief works, I shall require the assistance of a Deputy Collector to do the Jammabundy of at least two of my four taluqs. I therefore respectfully beg that you will be good enough to support my application that Teperumal Chetty be invested with the powers of a Deputy Collector and Magistrate, and be empowered to draw the pay and allowances of a 1st-class Deputy Collector from date of having been relieved of his post of Sub-division Sheristadar.
