Famine Relief.

No. 523. Read the following Proceedings of the Court of Wards, dated 2nd February 1877, No. 415 :—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevelly, to H. F. STOKES, Esq., Acting Secretary to the Court of Wards, dated Ettiapuram, 26th January 1877.

I HAVE the honor to report that there remains only a balance of about 1,000 Rupees at the credit of the Ettiapurani Zemindari, and that such is the state of the crops that it has been found impossible to collect any rent without recourse to attachment and sale of property; the processes for which are in course of execution but in the meantime funds are required to go on with the works sanctioned by the Court to pay establishment, &c.; I shall be obliged, therefore, if the Court are pleased to arrange at an early date to supply me with funds either by the sale of 25,000 Rupees worth of Government Securities, or by an advance from Famine Relief Funds, to be repaid as collections enable the estate to pay back, or by a loan from the Madras Bank on the Security of the Government Securities, a large amount of which are in their hands to the credit of the Zemin. The last perhaps would be the simplest and best way, and the amount might be repaid within six months in all probability.

I think the Court [illegible] the sale of Securities held by the estate preferable to the negotiation of a loan at the present time. The Secretary and Treasurer, Madras Bank, will accordingly be requested to sell Securities to the extent of Rupees 25,000 with the least possible delay, and remit the sum realized to the Collector of Tinnevelly, informing the Court of the amount of charges and net sum remitted.
