December 1876, No 2222 —

ABSTRACT — Stating that a Special Assistant is not at present required for
Madura District and approving the instructions issued to the Collector in connection
with proposals for meeting the distress in the Sub-division

The Board beg that Government will allow them to withdraw the opinion that
additional aid is not required by the Collector of Madura. Report now before them
show that his hands should be strengthened, though perhaps an additional Sub Col-
lector is not wanted. The Board suggest that Mr E Turner, who has just been
relieved of the charge of the Ramnad estate by Mr Lee-Warner and whom in antici-
pation of the sanction of Government the Board have caused to be detained in
Madura, may be nominated additional Special Assistant to the Collector
