Proceedings of the Madras Government, Revenue Department
9th January 1877

No 149 Read the following letter from J HUNTER BLAIR, Esq, Collector of Madras, to J H GARSTIN, Esq, Acting Secretary to Government, Revenue Department, dated Madras, 29th December 1876, No 409 —

With reference to Government Order, No 2,899, dated 4th instant, I have the honor to request that you will be good enough to obtain the immediate sanction of Government to entertain a temporary establishment consisting of a Surveyor on Rupees 60 (including batta), a clerk on Rupees 25, and two lascars on 2 Rupees each (including batta) for a period of four months

2. The District Engineer has requested that the schedules of land required for the Junction Canal should be prepared as expeditiously as possible. The Deputy Collector of Madras has detailed a Revenue Inspector and two lascars for the work out of his Office establishment, but as their absence will affect the current work of the Office, I consider that the additional establishment now solicited is absolutely necessary

3. At the same time, I beg that the sanction of Government may be obtained for directly placing at my disposal Rupees 1,50,000 for payment of compensation to the owners of land to be taken up. Ready money payments will probably induce them to part with the land on easier terms

No 150 ORDER THEREON, 9th January 1877, No 69

Miscellaneous

The Collector should have sent in this letter through the Board of Revenue, but as the matter is emergent, he is authorised to entertain the establishment proposed. The Accountant-General will be authorised to disburse all sums settled by the Collector as compensation for lands taken up for the Junction Canal
