Proceedings of the Madras Government, Revenue Department,
17th February 1877.

No. 579. Read the following Proceedings of the Board of Revenue, dated 12th February 1877 :—

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Palnad, 2nd February 1877, No. 23.

I HAVE the honor to reply to Board's Proceedings, No. 3,114, dated 8th December 1876, that it is not possible to recommend the stoppage of all coercive measures in any part of the district, except after a very long and careful inquiry, and even then there would be the danger of ryots who can pay getting off.

2. Except in the delta, where the straw will more than pay for the kist, the Tahsildars will be able to collect very little of the kists without process, and if it were once known that these could no longer be issued, the ryots would not pay one cash.

3. I think it had far better be left to the discretion of the Tahsildars to decide what ryots they will issue process against.

THE Collector is referred to Board's Proceedings, 22nd January 1877, No. 248.

Proceedings of the Board of Revenue

Read the following

Extract No. 23

From The Collector. Kistna District

To The Secretary to the
Board of Revenue
Madras.

Sir,

I have the honor to refer
to Board's Proceedings No. 3114 dated 8th
December 1876 that it is not possible
to recommend the stoppage of all
coercive measures in any part of the
District except after a very long and careful
enquiry and even then there would be
the danger of Ryots who can pay putting off.

Except in the Delta where the
Ryots will more than pay for the Kist,
the Tahsildars will be able to collect very little
of the Kists without process and, if it
were once known that these could no longer
be issued, the Ryots would not pay one
cash.

I think it had far better be kept

To the discretion of the Tahsildars to decide what cases may will issue process against.
