Proceedings of the Madras Government, Revenue Department,
19th February 1877.

Famine Relief.
No. 614.

Miscellaneous.

Dated 19th February 1877, No. 744.

THE Governor in Council directs that the gentlemen belonging to the Bengal Civil Service who are employed

this President be placed at the disposal of the Collectors of the districts to which they may be posted both for the supervision of famine relief-works and for the disposal of the magisterial work, which constantly prevents the Collectors from personally inspecting their districts.

It will, therefore, probably be found convenient to place the Bengal Officers in charge of the famine works in the taluqs in the Collectors' own charge and in magisterial charge of those taluqs.
