Proceedings of the Madras Government, Revenue Department,
21st February 1877.

No. 634. Read the following letter from W. LOGAN, Esq., Collector of Malabar, to the Honorable D. F. CARMICHAEL, Secretary to Government, Revenue Department, Fort St. George, dated Calicut, 12th February 1877, No. 10:—

REFERRING to the Proceedings of Government, No. 1,872, dated 1st December 1876, I have the honor to state that earth-salt culture has greatly extended of late years, but it is hardly practicable to form an estimate of the increase. Repeated orders have been given to stop it, but the fact that the sale only, and not the manufacture, is illegal has greatly tended to curb energetic action being taken.

2. I solicit early orders for the extension of the Excise Act, which I had hoped would have been in force long ere this.

No. 635. ORDER THEREON, 21st February 1877, No. 756.
