Famine Relief.

No. 652. Read the following Proceedings of the Board of Revenue, dated 2nd February 1877, No. 420 :—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Salem, 29th January 1877, N. S. No. 430-62 :—

I HAVE the honor to request the Board's instructions on the following.

2. Under the provisions of G.O., No. 111, dated 13th instant, several works of irrigation have been undertaken by the Public Works Department as relief works, and funds for them are supplied by the Examiner of Public Works Accounts without the intervention of the Revenue Department. I wish to know if such works are to be included in the Weekly Return No. 2 and shown on the map submitted with it.

3. In paragraph 5 of Board's Proceedings, No. 3,251, dated 22nd ultimo, the Board state that these should be included in the returns; but as funds are not supplied by the Revenue Department, and as the expenditure is not controlled by it, I request the Board's instructions in the matter.

THE subject is under the consideration of Government, and pending orders the Collector should enter the works and the numbers on them if he can, distinguishing the works by a note in the return.
