*Proceedings of the Madras Government, Revenue Department,
21st February 1877.*

Famine Relief.

No. 656A. Read the following Proceedings of the Board of Revenue, dated 13th February 1877, No. 613:—

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 5th February 1877, No. 65.

I HAVE the honor to request the instructions of the Board with regard to the map to be submitted with the weekly report.

2. The District Engineer marked one off for me, but it is very incorrect, roads which I know to be unsanctioned being marked as if they were.

3. I wish to know how Mr. Gribble's roads, for instance, are to be shown. They are not sanctioned, and it would be impossible to stop them until measurements can be made and estimates framed and submitted.

4. I have forbidden the beginning of any new road without previous sanction, and the only way in which it occurs to me that the difficulty in mapping can be got over is to show all roads in hand before the date of my order as "sanctioned."

THE Collector's suggestion is approved.
