Famine Relief.

No. 658-A. Read the following Proceedings of the Board of Revenue, dated 15th February 1877, No. 638 :—

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to H. P. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Kampli, 9th February 1877, No. 104 :—

SEVEN ryots of the village of Woobalgandi in the Hospett Taluk have applied for advances under the Land Improvement Act to the aggregate amount of Rupees 850 for the purpose of supporting their cattle and their families during the famine.

2. The Deputy Collector of the Harpanhally Division, in whose charge the taluq is, recommends that the advance should be granted, and states that sufficient security has been given.

3. The recent orders of the Board authorize the payment of advances for digging wells and channels and such like purposes, but not as mere loans.

4. If the advance proposed is paid in the present case, further proposals of the same nature will no doubt be made. I have, therefore, the honor to request the orders of the Board in this matter as well as generally.

5. A copy of the Deputy Collector's letter* is enclosed.

* No. 49 of 1st February 1877.

ENCLOSURE No. 1.

From V. VENCATACHELLAM, Deputy Collector, to J. H. MASTER, Esq., Collector of Bellary, dated Hospett, 1st February 1877, No. 49.

I HAVE the honor to enclose, for your orders, the applications of the ryots* of the village of Woobalgandi (Hospett Taluq) applying for

* 1. Subba	50	5. Manganagude	100
2. Iyappa	100	6. Caribasappa	200
3. Comarappa	100	7. Iyanna	200
4. Soogappa	100		

Tuccavy. The ryots gave good and sufficient security for paying the sum as stipulated. The only defect in their application is that they speak truth in saying that they will use the money for the support of their agricultural stock and their families.

2. If they had said that they would use the money for wells and other purposes, I would have authorized the Tahsildar to pay the required advance under the G.O. of 23rd December last.

3. With reference to Mr. Thornhill's memorandum of 18th December last, that so long as sufficient security for the repayment of the loan is taken the transaction may be made otherwise on an informal manner, I think that the request of the applicants may be granted, as the preserving of the agricultural stock is one of the purposes intended for the improvement of cultivation in the next year.

4. I beg to enclose the arzees of the Tahsildar of Hospett noted in the margin.

Dated 23rd December 1876, No. 718.
Do. 30th do. No. 740, to be returned.

SUBMITTED for the orders of Government.

2. The Board are unable to support the application. The purpose cannot by any stretch of reasoning be considered to come within the scope of the Act, and the consequence of compliance would be a shoal of similar applications.
