*Proceedings of the Madras Government, Revenue Department,
23rd February 1877.*

No. 732. Read the following Proceedings of the Board of Revenue, dated 5th February 1877, No. 467:—

Read the following letter from R. H. HOLLINGBERY, Esq., Assistant Secretary to the Government of India, Financial Department, to the Honorable W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Fort William, 14th December 1876, No. 3,012:—

REFERRING to the Proceedings of the Madras Board of Revenue, dated the 7th September 1875, No. 2,511, forwarded to this department by the Accountant-General, I am directed to state that the Government of India will be glad to peruse the reasons of the opinion of the Board of Revenue that the sum of Rupees 16,495, being the receipt from water-rates levied on Inam lands in the Chingleput District, was incorrectly transferred from "Land-revenue, Miscellaneous," to the credit of Irrigation Revenue, Public Works.

REFERRED to the Board of Revenue for report. Copies of papers bearing on the subject will be forwarded at the same time.

FORT ST. GEORGE,
19th December 1876.

(Signed) H. B. GRIGG,
Ag. Under Secy. to Govt.

THE Board considered that the amount of water-rate referred to by the Government of India was incorrectly transferred from "Land-revenue, Miscellaneous," to "Irrigation Revenue, Public Works Department," because it was never decided that Land-revenue, Irrigated and water-rates, should be credited to Public Works Department. The G.O., dated 19th November 1874, No. 3,278, Public Works Department, under which the transfer was made clearly intimated (*vide* paragraph 5) that it was only revenue "other than Land-revenue irrigated and water-rates" that should be exhibited in the accounts of the Public Works Department, and the instructions issued by the Board with reference to the Government Order were precisely to the same effect (*vide* Board's Proceedings, dated 15th March 1875, No. 619.)

The Board are about to address Government separately on the general question.

Forwards to the Board explaining why Board considered that Rs. 16,495, being amount of water-rate levied on Inam lands in Chingleput, was incorrectly transferred from "Land Revenue, Miscellaneous" to "Irrigation Revenue, Public Works Department", with the remark that all items of revenue other than revenue from land irrigated and water-rate derived from Irrigation Works, should be maintained from Imperial Funds and credited to Irrigation Revenue under Public Works.
