Proceedings of the Board of Revenue
Dated 17th February 1877.
Read the following.—

No. 1544.

From,

Lieutt. Colonel R. H. Beddome,
Conservator of Forests.

To,

A. C. Stokes Esquire.
Secretary. Board of Revenue
Madras.

Sir,

With reference to the Proceedings of the Board of Revenue Miscellaneous No. 1842 dated 27th November I have the honor to inform you that the map is on too small a scale for the insertion of Forests even in the roughest manner and without any pretence of accuracy.

2. The Forest Officers of Cuddapah and

and North Arcot have endeavoured to
enter their Forests on the map in question
and Coimbatore in their state for the con-
-fection of the Board and if that is the best
desirable Scale have the Forest of the
other Districts marked in the same manner
but I must observe that I think it
perfectly useless to attempt it on such
a small scale and that it would be more
likely to mislead than to the advantage

3. In the Kurnool District all
our forests (several hundred Square Miles)
are on the Valley Mullays. These moun-
tains are not even marked on the maps

The forests should be shown on the
map as nearly as can be done, and it
will be returned to the Conservator for this
purpose.

2. The Board observe that the scale is
very much larger than that of the Forest
Maps in the annual Statements of the
moral and material progress of India
prepared by the Secretary of State, which
Maps are nevertheless found useful.
