*Proceedings of the Madras Government, Revenue Department,
24th February 1877.*

No. 763. Read the following Proceedings of the Board of Revenue, dated 23rd January 1877, No. 252:—

Read the following:—

Proceedings of the Madras Government, dated 24th October 1876, No. 2,463, Revenue Department.

Proceedings of the Madras Government, dated 14th September 1876, No. 1,883, Judicial Department.

Extract from a letter from the Secretary to the Government of India, in the Financial Department, to the Chief Commissioner of Central Provinces, dated 28th August 1876, No. 2,410.

PARAGRAPH 1.—I am directed to acknowledge the receipt of your letter, No. 2,904-133, dated 26th July 1876, forwarding a report on the Stamp Revenue Administration of the Province for the year 1875-76, together with your review thereof.

3. In the present report the cost of the Process Service Establishment is shown as a charge against the stamp revenue. This is not correct. The cost of these establishments is no more a proper charge against the stamp revenue than is the cost of Judicial establishments generally.

4. It is, however, important to know how far the revenue levied by stamps for the service of processes corresponds with the cost of their establishments, and I am to request that a return in the following form may be obtained from each district, for Civil, Criminal, and Revenue processes, separately, and that abstracts of these returns for the whole province may be appended to the Annual Stamp Administration Report:—

<i>Dr.</i>		RS.
Process fees, gross	...	...
Less share of charges in the Stamp Department	...	...
Process fees, net	...	...
<i>Cr.</i>		
Process-serving establishments	...	...
Add 12 per cent. for estimated cost of pensions	...	...
Other contingencies	...	...
		Total ...
<i>Result.</i>		
Surplus	...	...
Deficit	...	...

ORDERED that the above paragraphs be forwarded to the other Local Governments with a request that district returns in the form therein prescribed may be obtained and abstracts thereof appended to their future reports.

Under-Secy. to the Govt. of India.

ORDER THEREON, 24th October 1876, No. 2,463.

COMMUNICATED to the Board of Revenue for information and guidance.

(True Extract.)

(Signed) W. T. F. FAREWELL, Colonel,
Offg. Under Secy. to Govt., P.W.D.

COMMUNICATED to all Collectors and the Commissioner of Nilgiris with the request that a statement in the accompanying form showing the revenue levied by stamps for the service of processes and the cost of Process Service Establishments in the several Revenue Courts may be forwarded to the Board annually for submission to Government with the stamp report for each year.

2. As the stamp report relates to the fasli year, the statement should also be submitted for that period within three months after its close.

3. In the statement now prescribed, the Board have not opened a column for share of charges of the Stamp Department debitable to process service; the calculation will be made in the Board's office.

4. With regard to Civil and Criminal processes, the Board suggest that the High Court be requested to forward a similar statement showing separately the receipts and charges incurred in that Court as well as in all the Civil and Criminal Courts subordinate to it. The receipts and charges on account of Process Service Establishments in the Courts of Magistrates should also be included in the statement sent by the High Court, such establishments not being subordinate to the Board.

5. The Board do not think it will be possible to submit the statement for Fasli 1285, which has already expired; they therefore request that its submission may be deferred till the stamp report for the current Fasli 1286 is furnished.
