SIR,—Referring to your letter, dated
mla, 15th September 1876, No. 759, I
n directed to submit, for the approval
of the Government of India, a revised s;me prepared by the Superintendent of Revenue Survey, the details of which ar.ven with his letter of the 31st October 1876, printed with the Proceedings of thi ate.

G.O., 27th February 1877, No. 342. ns, as shown in the abstract statement, appended to Colonel Priestley's letter, 6 ne 1876, forwarded with the letter of this Government, 14th July 1876, No. 1, and thus meets the requirements of the Government of India.

3. The most important feature is.e abolition of the half survey party employed in the Ganjam District, whose rk there is now nearly complete. The reduction of this half party will not affe the progress of the Revenue Survey operations, as it was proposed to conver nto a Topographical Party. It will be observed that the Superintendent pro s certain minor alterations by which funds will be provided sufficient to c the increased rate to 1st-class Civil Deputies, the excess allowance to Mil y Assistants, and travelling allowances at the Bengal rates.

4. I am also to request that sanc n may be granted for the payment of the salary of the Superintendent at the her rate, or such rate as may be finally approved, from the date of Colonel Pries y's retirement, 6th July 1876.

5. Since the submission of the fmer scheme, certain Military Officers have memorialised the Government wi the view of being reinstated in the position occupied by them, as regards c and military allowances, prior to the issue of the Financial Resolution of 15th October 1872. His Grace the Governor in Council has fully consider r representations, but sees no adequate reason for complying with their praye ch has accordingly been rejected in
e Order of Government noted in the
G.O., 15th February 1877, No. 679. argin. A copy of the Proceedings is herewith forwarded for the informatic the Government of India.

I have the honor to be,
Sir,

Sir

Referring to my letter dated Simla, 15th July 1876 - No 759 I was directed to submit for the approval of the Govt. of a revised scheme for the prosecution of Revenue Survey, - the details of which are given in the letter of the 31st July & annexed with the Proceedings of that date -

2 The scheme now submitted 27th February 1877 No. 842 — keeps the estimated cost of the Dept. within the appropriation of existing sanction, as shown in the abstract statement appended to Mr. Pratt's letter of June 76

provided with the
letter of this Govt. 14th July
1876 - No 129 - and thus
meets the requirements
of the G. India -

2. The most important
feature in the recent
scheme is the abolition
of the half money Party
now employed in
the Canara Dist. where
work there is now
nearly complete -
The reduction of this
half Party will not
affect the progress of
the Revenue Survey operations, as it was
proposed to employ
eventually it as
a topographical Party.

4. I am also to request that
Sanction may be granted
for the Levy of the salary
of the Asst. at the higher
rate, or such rate as
may be finally approved,
from date of etc.
Party's retirement
6th July 1876.

It will be observed that
the superintendence proposed
entails minor alterations
in which (specified) funds
will be provided to
cover the increased rate of
1st class Civil Deputies allowance
& Civil Deputies, the usual
to Military Assistants, &
travelling allowance at
the Bengal rates -
