Proceedings of the Madras Government, dated 6th February 1877, No. 543, Revenue Department:—

ABSTRACT.—Requesting Board to furnish an estimate of the cost of giving effect to their proposals in connection with granting certain allowances to village servants in distre ssed districts.

THE marginal statement shows the districts to which the system would have to be applied and the number of Government villages in each. A Vetty and a Taliari at Rupees 4 each would have to be taken on for each village, and the cost for these districts would be Rupees 1,01,600 per mensem. Adding Rupees 16,000 per mensem for Nellore, the cost would be Rupees 1,17,600, or for six months Rupees 7,05,600. Indigent Monigars would have to be added, and it would be necessary to pay the Village Police and some Munsifs in Zemindaries. Altogether the cost would probably amount to Rupees 10,00,000.

£100,000 is a large sum to spend upon a task for — only one Collr. has alluded upon the question. It must be an outside estimate, as it is not in every village of these districts that the landed endowments of these village servants have entirely failed —

Besides, the fact must be considered that the Relief Works give support to all the adults of the family —

As to the Vetties, the Lands village servants as distinguished from the Talaries, or Watchmen — they must have taken a good share of it — being entitled to sometimes half & sometimes the whole of the share of every animal that dies in the village — & the mortality amongst these cattle is very great.

I wish not attempt this — they must of necessity go on the Relief Works BM.
