ENCLOSURE No. 2.—Translation of Decree.

SUBMITTED for the information of Government, with reference to G.Os., dated 13th August 1875, No. 1,702, and 2nd October 1875, No. 1,452.

After imperfect inquiry plaintiff was at first permitted to construct a private tank, which was afterwards found to be objectionable, as it intercepted the ordinary supply of a Government tank. The permission previously accorded was, therefore, withdrawn and an order was issued for the removal of the bund. Plaintiff then filed a suit to have the order cancelled and claimed Rupees 1,500 damages. In view to a settlement by compromise he was offered Rupees 300 as compensation for the cost of constructing the tank, but he declined the offer.

The Court has awarded this sum to plaintiff, but has directed that he shall pay the costs of Government, Rupees 77.
