Famine Relief.

No. 881. Read the following Proceedings of the Board of Revenue, dated 12th February 1877, No. 593 —

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 27th January 1877, No. 43:—

REFERRING to paragraph 7 of the Proceedings of the Board of Revenue, No. 1, dated 2nd instant, I have the honor to report that all the audit of labor accounts is made by the Divisional Officers, excepting in the case of the works in Cuddapah Town and some in that taluq, the nominal rolls connected with which are checked by the Treasury Deputy Collector.

2. Each officer seems to have his own system, but, as the scheme of introducing one plan for the whole Presidency is now under the consideration of Government, I think that it would be unwise for me at present to interfere.

3. The accounts kept in my office consist of a ledger showing separately the weekly charges for labor and miscellaneous and the number of coolies for each work. The Deputy Collector receives weekly from the Tahsildar a statement from which those particulars are entered in the ledger.

4. This information has been collected in view to check the bills for works completed, which Divisional Officers have been requested to send in with all possible
