No. 10. Read the following Proceedings of the Board of Revenue, dated 26th February 1877, No. 879 :—

Read the following letter from W. McQUHAE, Esq., Collector of Madura, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 15th February 1877, No. 82.

I HAVE the honor to submit, for the favorable consideration of the Board, a letter* from the Acting Deputy Collector, Salt Department, dated the 1st instant, No. 31, recommending the grant to the salt-manufacturing ryots of an advance of Rupees 13,500, to enable them to carry on the manufacturing operations. Considering the state of the season and the consequent failure of nunjah and punjah crops, I think that the proposed advance is necessary. The amount can be met from the sum of Rupees 24,375 provided in the Budget for 1877-78 for the salt manufacturer's share, and can be recovered on four instalments from the Kudivaram to be paid to the manufacturers. Similar advances were made to the salt ryots in 1871 (*vide* G.O., dated 14th February 1871, No. 282).

* With its enclosure.

ENCLOSURE No. 1.

From C. VENGU PILLAI, Acting Deputy Collector, Salt Department, to W. McQUHAE, Esq., Collector of Madura, dated Ramnad, 1st February 1877, No. 31.

IN consideration of the existing general crisis, I respectfully request you to obtain sanction for making to the salt-manufacturing ryots advances to the extent of Rupees 13,500, to enable them to carry on successfully the culture of salt for the current year.

2. They as a body, as you are aware, belong to the poorer classes, and therefore suffer severely from the effects of famine. Their nunjah and punjah crops they raised after some expense and trouble completely failed. They therefore deserve kind consideration on all hands; and the ryots of Mudduregunadapatam, Morekolum, Vyravanadapatam, Vattanum, and Thethandathanum also petitioned me on the subject, and I beg to observe here that this concession on the part of Government is not novel. In 1871 similar advances were made to them and recovered (*vide* G.O., dated 14th February 1871, No. 282).

3. I have apportioned the advance, as will be seen from the enclosed statement, according to the extent of manufacture in each division. And it can be met from the amount* of salt manufacturer's share provided in the Budget for 1877-78.

* Rupees 24,375.

4. If sanction be given, I shall have the money paid in my presence after taking such precautions as are necessary for ensuring the correct and punctual realization of the advance, which, as a favor done to them, may be made payable in four instalments.

5. In conclusion, I beg to state that, upon perusing the amount of Kudivarams paid in the last five faslis, which I caused to be noted down in the enclosure for ready reference, there could be anticipated no difficulty in recovering the advance.
