PROCEEDINGS OF THE BOARD OF REVENUE, dated 15th September 1875.

Read the following letter from H. ST. A. GOODRICH, Esq., Acting Collector of Vizagapatam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 24th July 1875, No. 1,289:—

I HAVE the honor to reply to Board's Proceedings, No. 1,893, dated 9th July 1875.

2. During the time the estate of Urutla was managed by the proprietor and his renter in Faslis 1281, 1282, and 1283 no correct accounts of actual collections were kept either by them or the Curnams. As it was found impossible to ascertain the actual collections of each village I have assumed the demand as collection and apportioned the peishcush on that amount, to which the parties made no objection. The want of correct information regarding collections is the cause of their being disproportionate to the demand. The arrears due on the whole estate up to the date of sub-division will be collected on the entire estate, including the villages proposed to be sub-divided.

3. With reference to the Board's petition (herewith returned) forwarded to me for report I beg to state that a copy of the petition bearing the same date, (5th June 1875,) purporting to have been addressed to me by the proprietor, was also received by me. I then sent for the proprietor and asked him whether the contents of the petition were true. He denied all knowledge of it and expressed his desire to sub-divide the villages as early as possible. His petition on the subject, presented to me personally, is herein enclosed.

4. He assured me (neither China Narsaraz nor Pedda Narsaraz being present) that he has unbounded confidence in his uncles and believed them to be his best friends.

UNDER the circumstances stated in the foregoing letter the Board approve and sanction the proposed sub-division of Urutla estate. The Collector has not taken the value of Inams granted subsequent to the permanent settlement into account in calculating the assets upon which the peishcush has to be apportioned. With the necessary correction of this account the peishcush on the sub-divided estates will be as shown below:—

	AVERAGE VALUE.				PEISHCUSH
