*Proceedings of the Madras Government, Revenue Department,
2nd March 1877.*

No. 83. Read the following Proceedings of the Board of Revenue, dated 24th February 1877:—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 15th February 1877, No. 114.

In consideration of the high prices of food-grains and scarcity of season, I have the honor to request sanction to increase the pay up to Rs. 5 for the next nine months of all the Curnams whose monthly pay is less than Rs. 4, and to give one Rupee more to all those who now draw Rs. 4 and upwards, but less than Rs. 10.

2. The total amount for the nine taluqs comes to Rs. 1,000 per mensem, or Rs. 9,000 for nine months as shown in the enclosed statement.

3. I propose to meet this expenditure from the village service cess, of which there are large available balances amounting to more than Rs. 1,80,000 in the settled taluqs of Tenkasi, Ambasamudram, Tinnevely, and Tenkarai, the amount advanced to other taluqs from the fund being recovered as a first charge against the Village Service Fund of each taluq as the new settlement comes into force and the village cess is introduced.

THE Board do not think the Collector's proposal called for at present. There is no special reason for the indiscriminate raising of salaries in Tinnevely, nor are the Curnams, as a class, likely to suffer from present high prices. If concession were granted to village servants in Tinnevely, it could hardly be refused in other districts.
