No. 91. Read the following Proceedings of the Board of Revenue, dated 24th February 1877, No. 854 :—

Read the following Proceedings of the Madras Government, dated 23rd February 1877, No. 802, Revenue Department :—

ABSTRACT.—Requesting that revised Audit Rules may be submitted to the Account Department in view to ascertaining whether the system of audit therein prescribed will satisfy the requirements of that department.

A PROOF of the Audit Rules will accordingly be sent to the Accountant-General, with request that he will favor the Board with his opinion as to the sufficiency of the system with the least possible delay.

2. The Board's Proceedings prescribing the rules have already been issued in manuscript, but some delay has necessarily occurred in printing the forms attached to the Audit Rules, and these have not yet gone out. The Accountant-General is, therefore, particularly requested to lose no time in examining them and reporting his opinion.

3. The Board take this opportunity of reporting that they have not been able to get trained men of the requisite ability who are willing to go as Chief Auditors in the Ceded Districts. They request therefore that each of the Collectors of those districts may be authorized to employ on salaries of Rupees 150 per mensem, with travelling allowances, a Chief Auditor. The necessary authority has already been given to the Collectors to entertain sufficient number of Audit Clerks in their own and Divisional offices.
