*Proceedings of the Madras Government, Revenue Department,*
*2nd March* 1877.

**Famine Relief.**

No. 98-A. Read the following letter from Brigadier-General H. O'CONNELL, Quartermaster-General, to Colonel J. MICHAEL, C.S.I., Secretary to Government, Military Department, dated Fort St. George, 26th February 1877, No. 1,470 :—

I HAVE the honor, by order, to forward a letter from the Officer Commanding Detachment 38th Regiment N.I., at Madras, reporting that his men are exposed to great heat in tents, and requesting that some additional protection in the shape of chuppers may be provided.

2. His Excellency the Commander-in-Chief considers that, instead of erecting chuppers over the tents, it would be better to erect large sheds of the same materials as the sheds erected on the beach for the storage of rice, and dispense with tents.

3. As the extra duty for troops, which necessitated the more of the Wing 38th N.I., to Madras has been caused by the Police having been taken off jail guards in consequence of the famine, the Commander-in-Chief thinks these sheds might be charged to the Famine Relief Funds.

4. Should Government concur, an estimate for the erection of the sheds required will be prepared and submitted for sanction.
