Proceedings of the Madras Government, Revenue Department,
2nd March 1877.

Famine Relief.

No. 107. Read the following Proceedings of the Board of Revenue, dated 22nd February 1877, No. 791.

Read the following letter from J. G. HORSFALL, Esq., Acting Collector of South Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Cuddalore, 16th February 1877, No. 67:—

In reply to the Board's Official Memorandum, No. 274, of the 9th instant, calling on me to report at once on the result of repairing wells, &c., by contract or piece-work as directed in Board's Proceedings, dated 25th ultimo, No. 300, I have the honor to state that as relief works have hardly commenced yet in this district, I am unable at present to furnish the report called for, but will do so as soon as I am in possession of the necessary information.

What the Board wanted to know was whether distress existed in the Trinomalay Taluq to such an extent as to justify relief works being opened, and to this end a tentative work was sanctioned on the 25th January. Sufficient time has elapsed to show whether laborers other than professional Wudders are attracted to the work, and on this point Mr. Horsfall should furnish information.

2. His attention is also called to the orders requiring the submission of weekly relief reports. None have yet come from South Arcot.
