No. 122. Read the following Proceedings of the Board of Revenue, dated 23rd February 1877 :—

Read the following letter from A. WEDDERBURN, Esq., Collector [illegible]-dated Coimbatore, [illegible]

I HAVE the honor to bring to the notice of the Board of Revenue, the necessity of increasing the establishment of the Metoopolliem Deputy Tahsildar's office.

2. His Range contains 122 villages, and is one of the most difficult in the district to manage, consisting, as it does, of several remote villages and forest tracts, He has got much magisterial work to do, and is also in revenue charge of the Division. He has much revenue work also to transact, such as the disposal of Durkhats, &c. Besides these, the collections on account of the forest in his range are paid into his office, and he has to render accounts to the Forest Department. Again, Metoopolliem, situated, as it is, on the road to the Hills, requires much attention on the part of the Sub-Magistrate and his establishment as regards supplies to travellers, and on the occasion of His Grace the Governor's visit to, and during his stay on, the Hills. Further, the Sub-Magistrate has to attend to the repair of roads and other measures of sanitation, and to keep the accounts of Local Funds entrusted to his charge.
