Proceedings of the Madras Government, Revenue Department,
3rd March 1877.

Famine Relief.

No. 149-A. Read the following Proceedings of the Board of Revenue, dated 24th February 1877, No. 858 :—

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevelly, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 19th February 1877, No. 118.

In forwarding the weekly returns* of relief-works in the district, I have the honor to report that there has been a progressive falling off of coolies employed owing chiefly to the effect of the reduction of wages already reported to 1¼ Annas, partly also to the harvest in the river valley now being cut.

* Returns sent separately.

2. The effect of the recent Government Order is to raise the wages to Annas 2 per day, and next week there will probably be an increase to report on the numbers employed.

3. The number gratuitously relieved are trifling.

4. Distress is no where very severe.

5. The arrangements for the work, &c., are the same as in last week.

Submitted for the information of Government.

2. It seems clear from the Collector's statement that if sufficient allotments are made for the execution of public works in the usual manner by the Public Works Department officers there is no present necessity for the Collector's relief-works.

3. The Board have stated this opinion at greater length in separate Proceedings for the consideration of Government.
