Proceedings of the Madras Government, Revenue Department
5th March 1877.

Famine Relief.

No. 154.

Miscellaneous.

Dated 5th March 1877, No. 935.

HIS GRACE the Governor in Council
wishes it to be clearly understood that
the Government have never authorised

and disapprove of laborers on relief-works, or persons applying for relief, being
sent indiscriminately from one Madras District to another to which they may
perhaps really belong, or from one taluq of a district to another, as this course may
lead to disaster, and is of no benefit to Government, seeing that it makes no
difference in the cost which district may afford the relief to persons belonging to
the Madras Presidency, provided it be ascertained that ^{they} are really necessitous.
